Datasheet - VELLA BS220BROU

The Vella trigger-sprayer is a versatile, robust, all-purpose sprayer with a 1.3 ml output.
The Vella sprayer is designed with user comfort in mind, with a rounded, ergonomic body style and a wide trigger shape. The trigger has a textured surface to help grip with wet or gloved hands.
With its solid construction, the Vella is suitable for a wide range of uses including consumer and professional products, janitorial spraying and home and garden use. It is a « shipper » sprayer, suitable for fitting onto full bottles of product. The nozzle is fully adjustable from a fine mist to a direct jet. A diptube filter is fitted as standard.
A foamer nozzle is also available.
